Shrink Sleeves

Shrink Sleeves are custom made to the highest quality standards using PVC, PET, PLA or OPS in a thickness range from 40 to 70 micron. Whether you need simple tamper evident closures or point of sale appeal we have a product to suit your needs. Our sleeves can be applied manually or on fully automatic production lines.

Options available

- cut length or continuous reel
- unprinted sleeves
- reverse or surface printed sleeves (flexo & digital)
- sleeves with perforation and tear strip
- lateral, longitudinal & T perforations.
- double chamber sleeves
- innovative finishes; matt, metallic, thermochromic, holographic etc.
- any size (min. 18mm, max. 385mm)

Applications

- container decoration
- tamper evident seals for container closures
- duo/multi-packing
- promotional packing
- 360° information labels

Also available in our range we have:

Header Bags, Side Seal, Block bottom, Cross Bottom, Flowrap & Mailing Bags
